

## TAPESTRIES WORTH \$7,000 DISAPPEAR; TWO YOUTHS HELD

Part of Articles Which Were Designed for Hotel McAlpin Found in Barrel.

In the Essex Market Court to-day two youths were held for the robbery of \$7,000 worth of tapestries and rugs, specially designed and made for the Hotel McAlpin. The prisoners, who were held in \$3,000 bail each, were William Corcoran, eighteen years, of No. 32 East Forty-second street, and Julius McGowan, eighteen years, of No. 34 East Twenty-third street.

The tapestries represented historical scenes dealing with this country between the latter part of the Seventeenth Century and the early part of the Eighteenth Century. They had been completed and were about to be delivered when, on Christmas Eve last, they were stolen. The robbery was kept quiet at the time.

Five days after the robbery \$5,000 worth of the tapestries were found in a barrel in the back yard of No. 545 First avenue by J. Kerchoff, who notified the police. The apparent reason why the tapestries had been hidden there was that the place afforded a quick "get-away," the yard connecting with four others.

Detective Nelson arrested two youths, Corcoran was one, but both were discharged for lack of evidence. On Feb. 23 Nelson arrested McGowan, and on the following day McGowan made a statement to Nelson and Deputy Assistant District Attorney Lockhart in which Corcoran was implicated. Corcoran was rearrested and to-day Magistrate Preschl held them for the Grand Jury.

It is understood that the missing tapestries will have to be duplicated, and from that it was inferred that the police have no hope of recovering them. The tapestries recovered from the barrel were in good condition.

**BACK WITHOUT \$100,000,000.**

PANAMA, Feb. 24.—The treasure hunting party led by Miss Genevieve Davis, an English woman, which has been searching in Cocos Island for hidden valuables for some months, arrived here last evening on board the steamer Melmore with a store of experience, but without any treasure.

The party left Plymouth, England, in

September last for Cocos Island, which lies about 500 miles southwest of Panama, in the Pacific Ocean, with the object of recovering jewels and treasure valued at \$100,000,000.

## SHE DEMANDS \$50,000 FOR LOSS OF HER HUSBAND.

Mrs. Schenck Follows Her Divorce Suit With Alienation Action Against Woman She Named.

Mrs. Eva L. Schenck, a beautiful young woman of San Francisco who last week sued her husband, Samuel, for an absolute divorce, naming Mrs. Abbie Le Monde Morgan, wife of William Morgan, a Buffalo millionaire real estate man, as co-respondent, to-day brought suit against Mrs. Morgan for \$50,000 for the alleged alienation of her husband's affections.

Mrs. Schenck charges that Mrs. Morgan has won the love of her husband, who is said to have made a million dollars out of lumber deals, that he has declined to live with her. Mrs. Schenck charges that the offense was committed in the Hotel Sherman, at Broadway and Seventy-third street. The Schencks were married in Los Angeles, Cal., Dec. 9, 1908. Schenck is said to be in the Southwest at present.

## This Will Stop Your Cough in a Hurry

Save 25 by Making This Cough Syrup at Home.

This recipe makes a pint of better cough syrup than you could buy ready made for \$2.50. A few doses usually conquer the most obstinate cough—stops even whooping cough quickly.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle; then add the Sugar Syrup. It has a pleasant taste and lasts a family a long time. You can feel this take hold of a cough in a way that means business. Has a good tonic effect, braces up the appetite, and is slightly laxative. A handy remedy for hoarseness, croup, bronchitis, asthma and all throat and lung troubles.

The effect of pine on the membranes is well known. Pinex is the most valuable concentrated compound of Norwegian white pine extract, and is rich in quinine and all the natural healing pine elements. Other preparations will not work in this formula.

This Pinex and Sugar Syrup recipe has attained great popularity through out the United States and Canada. It has often been imitated, though never successfully.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

## CEMETERY TRUST SUIT BRINGS IN NAME OF DEPEW

\$4,000,000 Scheme to Start or Buy Graveyards Revealed by Dissolution.

The existence of a "cemetery trust" was alleged, and the name of Chauncey M. Depew connected with it, in the application filed to-day before Justice

Lehman in the Supreme Court, asking on behalf of Francis E. Baker an accounting from Reese Carpenter.

Mr. Baker, who was represented by Attorney W. L. Stout, alleged that he and Mr. Carpenter entered into a partnership in 1907 with the idea of buying and organizing cemetery companies throughout the country and, if the graveyards failed to earn enough to cut the land into building lots. Foreclosure proceedings were expected to aid largely in the acquisition of the cemeteries.

About \$4,000,000 was involved in the deal, according to the papers, and the partners soon had a long "string" of graveyards.

Mr. Depew's relation with the partnership was not made plain. His name was mentioned in a paragraph asserting that "the plaintiff was to share in all of the stocks, bonds, improvement certificates, mortgages, land shares and other evidences of debt which the defendant would receive at any time thereafter from the Hon. Chauncey M.

Depew, William H. Lyon, Mrs. Caroline L. Carpenter (now deceased), Orlando T. Carpenter and other members of the defendant's family."

Mr. Baker now wants Mr. Carpenter to give him a half interest in eleven cemeteries, a hotel company and a railroad company.

Attorney John Godes, for the defense, said to-day that the motion to dissolve the partnership should be denied on the ground that if such a partnership existed, it was in the nature of an "unlawful agreement." The existence of the agreement was denied, however. Justice Lehman reserved decision.

## KING HONORS WIDOW OF EXPLORER SCOTT.

As Husband Was to Have Been Knighted She Is Given Rank and Precedence of the Title.

LONDON, Feb. 24.—King George this afternoon granted to Mrs. Robert F. Scott the rank and precedence that would have been hers had her husband, Capt. Scott, the Antarctic explorer, been nominated a Knight and made Commander of the Order of the Bath. The intrepid searcher who died in the snows at the bottom of the world, with his four companions after they had reached the South Pole, would have been made a Knight by the King upon his return, and his widow now becomes Lady Scott.

## HAIR STOPS FALLING, DANDRUFF DISAPPEARS—25 CENT "DANDERINE"

Save your Hair! Beautify it! Invigorate your Scalp! Danderine grows hair and we can prove it.

Try as you will, after an application of Danderine, you cannot find a single trace of dandruff or a loose or falling hair, and your scalp will not itch, but what will please you most will be after a few weeks' use, when you will actually see new hair, fine and downy at first—yes, but really new hair—growing all over the scalp.

A little Danderine now will immediately double the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through

your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25 cent bottle of Kaowit's Danderine from any drug store or toilet counter, and prove to yourself to-night—now—that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all.

## Flowers of Ye Olden Tyme That Adorn Spring Millinery

When Paris decided that the rich shades of gold Mandarin, mimosa, brass and tangerine were to be in vogue for Spring, the modistes had to go into the old-fashioned gardens to get bloom in these vivid hues. And it seems as though Mother Nature and Fashion had conferred, for these stiff flowers are also in perfect harmony with the styles of the new hats. Sometimes only a single blossom is used on a hat, while the high mountings on others are entirely of these flowers.

Japanese Apples of rich colorings should also be included in this category of trimmings, even though they are from the Oriental garden. However, they were made in Paris!

The Cork Roses that we introduced the other day—and which have caused a sensation—are unique, too. These in natural and Art Nouveau designs are in the vivid new colors, as well as in natural shades.

As we have imported these Flowers direct from Paris, our prices are exceedingly moderate. 50c to \$7.50.
